The Cast

Audrey Adams (**Postmistress/Aunt Beast**) has loved theater ever since her first production in elementary school. She is now a sophomore in high school with a love for the arts. She'd like to thank her parents for picking her up at crazy hours for rehearsals.

Chase Bentley (**Charles Wallace**) is thrilled to return to the stage! A seventh-grader with a lifelong passion for performing, Chase has wanted to be an actor since he was four. His ultimate dream is to study at Juilliard. He thanks his mother for always encouraging him to be himself.

Alex Clayton (**Calvin**) began performing in his school chorus in 2022 and 2023, followed by *Cheaper by the Dozen* with Brightstone, and most recently *Beetlejuice Jr.* with The Stage Oconee. Alex enjoys Dungeons & Dragons and art. He hopes to pursue theater, with sights set on studying production design at SCAD — or perhaps one day making his way to Japan. Special thanks to Uncle Mitch and Grandmother "BB" for nurturing his theatrical career.

Kennedi Craine (**Camazotz 3/Ensemble**) is a senior at Walnut Grove High School. This is her first production with On Stage Playhouse, and she is excited to be part of the cast. Kennedy enjoys spending time with her family and continuing to develop her acting skills. After high school, she plans to attend college and further pursue her passion for acting and the performing arts.

Clayton Estey (**Father**) enjoys acting, music, wrestling, and staying involved in school. He is excited to perform as in *A Wrinkle in Time*. After graduating, Clayton hopes to pursue his goal to go to college and join the military.

The Cast

Kitty Hernandez (**Mrs. Whatsit**) is a 7th grade homeschooler who loves to act. She is a current background actress for many productions but dreams of being cast as a main character in a film. She is excited to be back at On Stage Playhouse for her fall debut!

Mattingly Holman-Beasley (**Mrs. Who**) is no stranger to acting and brings joyful energy to every role. She has been acting since she was 5 yrs old, and this is her third performance with On Stage. She was also a part of the tech crew for On Stage's *Wizard of Oz*. Outside of theater, Mattie is a talented artist, an athlete of flag football and basketball, and an enthusiastic reader. She is grateful for the opportunity to perform.

Zachary Lumpkin (**Billy/Ensemble**) is a sixth grader who enjoys playing drums, singing, and acting. He also enjoys being involved in sports, such as football, basketball, and baseball. He is excited to be in another production at On Stage. He thanks his family for their love and support.

Sierra Markland (**Beast 1/Camazotz Girl**) is so excited to be part of this production for her first time performing in front of a live audience. She has loved singing, acting, and dancing forever. When not on stage, she attends Grace Snell Middle School, working hard in classes and spending time after school practicing dance. She is an adventurous person who loves trying new things and can't wait to see what the future holds!

Serenity Martin (**Mrs. Which**) is excited to bring the mysterious, wise presence of Mrs. Which to life! As a student at Walnut Grove High School, she is involved in the WGHS's production of *The Odyssey*. She hopes to pursue her passion for theatre as a lifelong hobby. When she has free time, she enjoys watching movies and shows. Serenity is very grateful for this opportunity and wants to give a vast amount of thanks to her friends and family!

The Cast

Cove Mills (**Chris, Camazotzian 1**) is eleven years old and loves acting. He auditions for every production he can. His goal is to be on TV one day!

Jacob Moon (**Principal/Camazotzian 2**) last performed at On Stage in *The Legend of Sleepy Hollow*. He goes to Walnut Grove High School. He enjoys the outdoors, but only in the winter when there are no more bugs, and he likes playing video games.

Haley Thompson (**Mother**) is a Sophomore at Walnut Grove High School. She is super excited to make her fifth year of being active in theatre, her best year yet! Haley has been an actor in many shows, with this being her first at the On Stage theatre. She is very eager to participate in many more!

Anderlynn Thrailkill (**Meg Murray**) is a homeschooled 8th grader. She enjoys theater, art, and video games. She is excited to be back at On Stage after a fun summer performing in *The Wizard of Oz*.

Raelynn Vines (**Happy Medium and Teacher**) is a homeschooler who is in 8th grade and this will be her second play at On Stage. She previously performed in *The Legend of Sleepy Hollow*. One of her favorite hobbies is going fishing every weekend, and she loves spending time with her family.

Archer Williams (**Red Eyes**) is a freshman at Loganville High School. He has been in theater for around 8 or 9 years now and has been with On Stage in the past.

Meet the Directors

Laura Griffin (**Co-Director**) is at home on the stage and in the director's chair. She has enjoyed working with her fourth On Stage young actors production. She is happy to help kick off On Stage's fantastic new season!

Vicki Wrobel (**Co-Director**) is proud to work with this cast and production team. She got involved with theater when her daughter was in middle school, so it is wonderful to be able to introduce youth to its joys!

Jenna Harmon (**Assistant Director**) is grateful to be part of this production. She has worked behind the scenes on numerous On Stage productions, including *The Wizard of Oz*. Jenna enjoys making new friends and connecting with the community through live theater. She thanks the directors, cast, and crew for this opportunity and hopes you enjoy the show!

Directors' Note

Madeleine L'Engle's book, *A Wrinkle in Time*, was first published in 1962, and was awarded the Newberry Medal the following year. After decades, it remains profoundly relevant.

The young people in this cast are growing up in an age filled with controversies - artificial intelligence, national disunity, social media influence, and enough screen time to make their eyeballs spin, just to name a few. All the pressures they face help them understand the pressures the show's characters withstand. Our hope is that through their theater experience, they will begin to appreciate the beauty of their own individuality.

We thank the cast and crew for their time, hard work, and dedication. Several of our cast members chose to read the book in addition to the adapted play script because of their commitment to fully understand the characters they are bringing to life. We also thank their families for their support and the many trips to and from the theater, during rehearsals.

Lastly, we thank our audiences for listening to the story this cast wants to tell. No matter your age, we can all learn that stubbornly refusing to let anyone else think for you may not make you the most popular kid on the block, but it can save the world.

Enjoy the show,
Laura, Vicki, and Jen
