## The Cast

Kerri Brooks (**Kerri**) is excited to be back at On Stage in another comedy! She has loved being a part of such a wonderfully wacky show! She would like to thank On Stage for allowing her to have so much fun doing something she loves.....being dramatical! Thank you to my husband for coining that word for me, and thanks to my two girls for helping me to lose, oops, I mean barely hang on to my sanity. "May the Bard be with you."

Cindy Hayes (**Cindy**) is absolutely thrilled to have the opportunity to showcase her comedic talents to a larger audience than that of her close, personal friends. She was last seen in On Stage productions of *A Streetcar Named Desire* and as a band member in *Smoke on the Mountain*. Working with this cast has been amazing and she would welcome the opportunity to do so again.

Karly Pecua (**Karly**) is an aspiring actress and singer, amateur photographer, gamer, movie watcher, and eater of all foods. Her most recent production was *I Love You, You're Perfect, Now Change*, but you may have also seen her in *Odd Couple*, *Blithe Spirit*, and *9 to 5*. She lives in Athens with her Velcro-dog Tucker.

## The Cast (Continued)

Kimberly Wisnewski (**Kimberly**) is honored to work with such an incredible cast and crew who have taken her under their wings for her debut performance. She teaches 9th grade Literature and writes Young Adult novels when she's not chasing her toddler around the house.

Paige Hood (**Assistant Director**) is overjoyed to work with this talented cast and to learn from such a wonderful director in her debut 'behind the scenes.' She was last seen here at On Stage as Daisy Werthan in *Driving Miss Daisy* and would like to thank Marc for this opportunity.

Rachel Roper (**Stage Manager**) is thrilled to work behind the scenes again with On Stage. She previously ran lights for *9 to 5* and currently runs the Teen Drama Club. Special thanks and love to Corey and Lizzy for letting her spend so much time at “the yellow house!”

## Meet the Director

Marc Hammes (*Director*) is the On Stage Artistic Director. After receiving degrees in Theater, Speech, English and Secondary Education, he has continued directing all age levels. Marc has directed many On Stage productions, including *The Giver*, *One Flew Over the Cuckoo's Nest*, *Bright Star*, and the On Stage Youth Acting Workshops. Break legs!

### A Note from the Director:

*The Complete Works of William Shakespeare (Abridged)* has a wonderful way of reaching those who love Shakespeare and are familiar with his plays, as well as those who saw or read only one play. As an English major in college, I was reminded how incredible and challenging Shakespeare's words can be. Thank goodness, we have English teachers on our production team and in the cast!

This is a Shakespearean based show with some improvisation and audience interaction, so every performance will have something new and different. How fun is that?! Plus, I love having an all female cast for something that was originally an all male cast. I am excited to help this amazing cast bring this production to life for you. Get ready for a wild ride AND enjoy!
